Blake:

Hi. As you can see, I just filed the Amended Complaint with the attachments noted below. I completely missed the Order in my email wherein I was ordered to file the A.C. within ten days. No one caught it here either. I have never missed a deadline before like that and can't believe it happened. It is completely my fault.

If you are going to strike it, I will throw myself at the mercy of Judge Kimball. I would ask for your professional courtesy in answering it instead. The changes are not much in the way of substance and for the most part, respond to your concerns about quotation marks and paragraph numbering. Please let me know. Thank you.

Lisa
